

FOR IMMEDIATE RELEASE

Ted Duffy – South Central Regional Sales Manager

We are pleased to announce that Ted Duffy has joined the Laars Heating Systems as a Regional Sales Manager starting January 3, 2018.

Ted is a 2008 graduate of Georgia Institute of Technology where he earned a Bachelor of Science Degree in Mechanical Engineering. Ted is a Registered Professional Engineer (P.E.) in the states of Georgia and Texas. Ted also is a Certified Energy Manager (CEM) and LEED Accredited Professional. In addition, Ted is an active member in ASHRAE where he participates and contributes on many committees.

Ted comes to Laars Heating Systems from Tuttle & Bailey, a Johnson Controls Company, where he was the Eastern Regional Sales Manager. Prior to Tuttle & Bailey Ted worked in the wholesale distribution world with Johnson Supply and Hajoca in Georgia and Texas. Ted also was a Project Engineer at McKinney's Contracting where he designed commercial mechanical and plumbing systems. Ted's diverse experience working with independent manufactures representatives, wholesale distribution partners, and experience in the engineering/contracting worlds will make him an immediate asset to our organization.

Ted's role as the South Central Regional Sales Manager demonstrates our commitment and focus to growing Laars market share in the South Central Region.
